

Youth volunteer camps
in the French Alps

We are convinced of the **educational values of youth volunteer work camps**. Our 3 nonprofit organizations have come together to **promote the camps running this summer 2022** in the Alps.

Solidarités Jeunesses (Villages des jeunes) is working for community education, solidarity and peace between cultures towards social progress.
<https://www.solidaritesjeunesses.org/>

Concordia has been created after WW2 to promote tolerance and peace through cultural and generational exchanges.
<https://www.concordia.fr/>

Educ'Alpes is a network working in the field of mountain-oriented education across the Alps acting locally and internationally.
